CONFERENCE PURPOSE AND OBJECTIVE

The **Leadership Best Practices Conference** is designed to assist public and private sector organizations in creating a strategic competitive advantage through identifying and implementing leadership best practices. The Conference features proven techniques, tools, principles, and competencies for addressing leadership and management challenges in public and private sector organizations. Hear from world-class organizational leaders as they share proven research, competency-based approaches, and best practices for developing leaders. Learn tools, techniques, and principles to enhance your leadership skills, your decision-making competencies, and how to engage, develop, and teach employees. Learn from the experiences of Baldrige Award winners and other recognized leaders what it takes to be best-in-class and how to build the requisite competencies among your leaders. Whether you are developing leaders in an organization, developing your direct reports, or honing your own leadership skills, you won't want to miss this exciting event!
